Useful information

Plan online

To make sure you have the most accurate train times, it's always best to plan your journey using a journey planner. We have them on our website and app, at our staffed stations and over the phone.

Bring your bike

There is space for at least one bike onboard our services, and you do not need to make a reservation in advance. These are allocated on a first come, first served basis, and if the train is quiet, the Senior Conductor may allow more bikes onboard.

Travelling with a bike to or from London Euston?

Please be aware that on weekdays, only folding bikes are allowed on trains arriving at London Euston between 0700–1000, and departing between 1600–1900.

Getting assistance at the station

We can help with planning your journey, getting on and off our trains, moving around the station, assisting with luggage and purchasing tickets. Call us on 0800 024 8998 or use the Passenger Assist app and we'll make the arrangements. We recommend that you book at least two hours before your journey - this ensures our staff can offer you the best service and notify you if anything is likely to disrupt your journey.

Before you travel

We may be required to make some changes to the timetable, therefore we would recommend that you check your journey before travelling. You can check train times on the WMR app, at wmr.uk/plan, or by calling National Rail Enquiries on 03457 48 49 50.
