Frequently asked questions

1. Who can apply?
Any person who cannot stand safely for their journey. For example, a person who has a medical condition, is disabled or is pregnant.

2. How will it work?
Successful applicants will be issued with a Priority Seating Card which can be shown to fellow passengers who are sitting in a priority seat. The card is free of charge. This will indicate that this passenger has been recognised by West Midlands Railway as needing a priority seat. Card holders will present their priority seat card and ask the person seated to give up their seat. However, consideration should also be given to their needs as not all conditions are ‘visible’.  

3. Does this guarantee me a seat?
No, this does not guarantee a seat. Priority seats may already be occupied by other card holders or passengers with a similar need for a seat.

4. Do I have to explain why I need a seat to fellow passengers?
No. The idea of this card is to eliminate the need for you to explain to fellow passengers your reasons for requiring a seat.

5. Where are the priority seats situated?
There are limited priority seats which are clearly labelled and are generally near to the exit doors.

6. How do I know if the person already seated has a card?
You don't. It is hoped that the person sitting there will show you a Priority Seat card to let you know they are entitled to sit there. However, some people may still have a valid need for the seat and not be a holder of a priority seat card. In this instance, please be considerate of their needs and perhaps ask other passengers on other priority seats.

7. Where can I use my Priority Seat card?
It is valid on West Midlands Railway services only.

8. Do I need to purchase a train ticket for my journey?
Yes, you must always travel with a valid ticket for your journey. Tickets must be purchased before travel. The priority seat card is not a ticket.

9. I hold a standard class ticket can I use First Class if no seats are available in Standard Class?
No. To travel in First Class accommodation you must have a valid First Class ticket. A Priority Seat card does not authorise you to sit in First Class. Priority seats in First Class Accommodation are for First Class ticket holders.

10. Can I get Priority Seat cards from the station?
No, these are only available from our Contact Centre upon successful application.

11. My disability means that I cannot fill in the form easily, can someone assist me to fill in the form?
Yes, station staff are happy to help or, alternatively, the Contact Centre can be called to assist with filling in the form; they can complete the form for you with your guidance and send it to you to sign and return with your supporting documentation.

12. Who can I talk to if I have a problem with the card?
Please call the Contact Centre and let them know what the problem is. They will do what they can to assist.

13. What happens if I lose my card?
You will need to apply for a duplicate card through our Contact Centre. A £20 administration fee will apply.

14. What do I do if my card is stolen?
If your card is stolen you should report it to the police so that an incident number can be issued, please also notify the Contact Centre as soon as possible so that they can record the theft. We will issue a duplicate card to you free of charge on receipt of a copy of the incident report. We are only able to send a duplicate card as a result of theft once before charging for a replacement card.

15. Who can I give feedback to about the card?
You can call the Contact Centre on 0333 311 0039 or use the webform on www.westmidlandsrailway.co.uk
